

## NEWS NUGGETS

**Outlaw's Third Victim Dead.**  
SALEM, ORE., APRIL 30.—Sheriff J. R. Shaver, who was shot by the desperado Frank Smith early Saturday morning at Woodburn, is dead, the third victim of the outlaw. No trace of Smith has been found.

**Killed on Eve of Wedding.**  
MONTREAL, APRIL 30.—William Watson Ogilvie was accidentally shot and killed yesterday while examining a revolver. He was the son of the late W. W. Ogilvie, the wealthy miller, and was to have been married within a month to a daughter of F. Stearns, former United States Consul-General at Montreal.

**Profit by Disaster.**  
PORTLAND, ORE., APRIL 30.—There is to all intents and purposes a corner in the remainder of the 1906 hop crop. Three firms, taking advantage of the heavy destruction of hops in the California disaster, secretly ordered their buyers in Oregon and Washington to go into the market, and so well have they done their work that out of between 250 and five thousand bales in the growers' hands ten days ago only about four hundred remain.

**S. A. R. Storms Boston.**  
BOSTON, APRIL 30.—All sections of the country were well represented at the opening in this city to-day of the seven-month annual congress of the National Society of the Sons of the American Revolution, which will continue through tomorrow. The sessions are being held at the Hotel Vendome. In addition to the business meetings, the delegates will make excursions to Concord and Lexington to view the scenes of Revolutionary battles.

**Chicago's City Hall Sinks.**  
CHICAGO, APRIL 30.—Chicago's City Hall has settled so much since the completion of the excavation for the adjoining new county building that it has been found necessary to rope in the entrances to prevent pedestrians from being killed by the falling sections of ceiling and corners. At the south end of the building, on Washington street, the foundation has settled several inches, while the entire building has assumed a list in the direction of the lake within the new building will cover.

**Feud War Renewed.**  
JACKSON, KY., April 30.—A fusillade of thirty-five shots and the wounding of one man here marked a new outbreak of the feud war which has given so much trouble in Kentucky. "Red" Tom Doak, Jake Noble and Tom Barnett besieged Beach Hargis, a relative of former Judge Hargis, in the house of Harrison Hall. Barnett was wounded in the wrist, but whether by Harrison Hall or Beach Hargis is not known. The affair has created great unrest.

**Football Star Engaged to Wed.**  
Announcement of the betrothal of Truxton Hare and Miss Smith is made.

(Special to The Evening World.)  
PHILADELPHIA, April 30.—Formal announcement has been made by Mrs. F. Percy Smith of the engagement of her daughter, Miss Katherine Dorothy Smith, to T. Truxton Hare, the famous Pennsylvania football star. A previous announcement was published in this city, and at that time some persons were sceptical of its accuracy. The formal announcement sets all doubts at rest. The date of the wedding has not been determined.

Both are members of Philadelphia exclusive social circles. Mr. Hare came into prominence some years ago by his brilliant work on the University football team and, besides being acknowledged the best guard, could and did play any position on the team.

**PUPILS' DRAMATIC ENTERTAINMENT.**  
In the parish house of St. Michael's Church, in West Ninth-ninth street, the pupils of Mrs. Anna Day Fallon will give a dramatic entertainment Tuesday evening, presenting a three-act play "The Fairy Godmother," the statue scene from "Pygmalion and Galatea," and Tennyson's poetical play, "The Princess."

## Doctor Brigham Says MANY PHYSICIANS PRESCRIBE Lydia E. Pinkham's Vegetable Compound

The wonderful power of Lydia E. Pinkham's Vegetable Compound over the diseases of womanhood is not because it is a stimulant, not because it is a palliative, but simply because it is the most wonderful tonic and retractor ever discovered to act directly upon the generative organs, positively curing disease and restoring health and vigor.

Marvellous cures are reported from all parts of the country by women who have been cured, trained nurses who have witnessed cures and physicians who have recognized the virtue of Lydia E. Pinkham's Vegetable Compound and are fair enough to give credit where it is due.

If physicians dared to be frank and open, hundreds of them would acknowledge that they constantly prescribe Lydia E. Pinkham's Vegetable Compound in severe cases of female illness, as they know by experience it can be relied upon to effect a cure. The following letter proves it.

Dr. S. C. Brigham, of 4 Brigham Park, Fitchburg, Mass., writes:  
"It gives me great pleasure to say that I have found Lydia E. Pinkham's Vegetable Compound very efficacious, and often prescribe it in my practice for female difficulties."  
"My oldest daughter found it very beneficial for a female trouble some time ago, and my youngest daughter is now taking it for female weakness and is surely gaining in health and strength."  
"I freely advocate it as a most reliable specific in all diseases to which women are subject and give it honest commendation."

Women who are troubled with painful or irregular periods, bloating (or flatulency), weakness of organs, displacements, inflammation or ulceration can be restored to perfect health and strength by taking Lydia E. Pinkham's Vegetable Compound. If advice is needed write to Mrs. Pinkham, at Lynn, Mass. She is daughter-in-law of Lydia E. Pinkham and for twenty-five years has been advising sick women free of charge. No other living person has had the benefit of a wider experience in treating female illness. She has guided thousands to health. Every suffering woman should ask for and follow her advice if she wants to be strong and well.

There is only one best in anything, and in pianos the Walters is it. Every Walters Piano is guaranteed for a term of 10 to 15 years which guarantee is inscribed on the top lid of every piano. Many of the foremost American families are owners of Walters Pianos, and you will find them in the studios of famous musicians.
